

U.S. Serial No. 09/643,122  
Response Dated March 10, 2004  
Response to the Office action of November 10, 2003

**Changes to the Drawings**

The attached sheets of drawings include proposed drawing corrections in red for FIGS. 8 and 9. The changes consist of deleting two instances of reference numeral 215G. It is respectfully submitted that no new matter has been added. Revised formal drawings will be filed when the proposed drawing corrections are approved by the examiner.

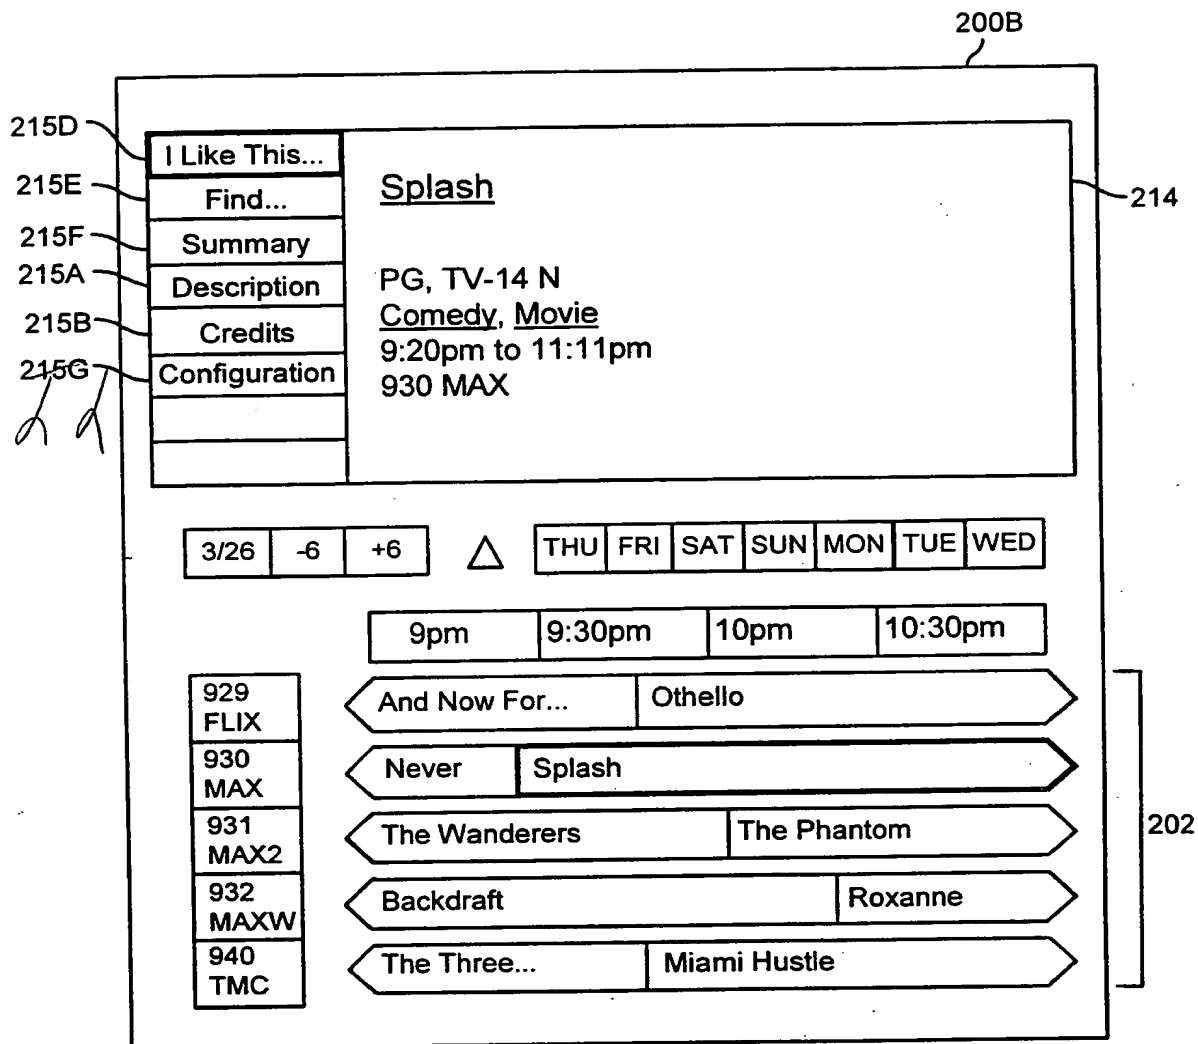

FIG. 8

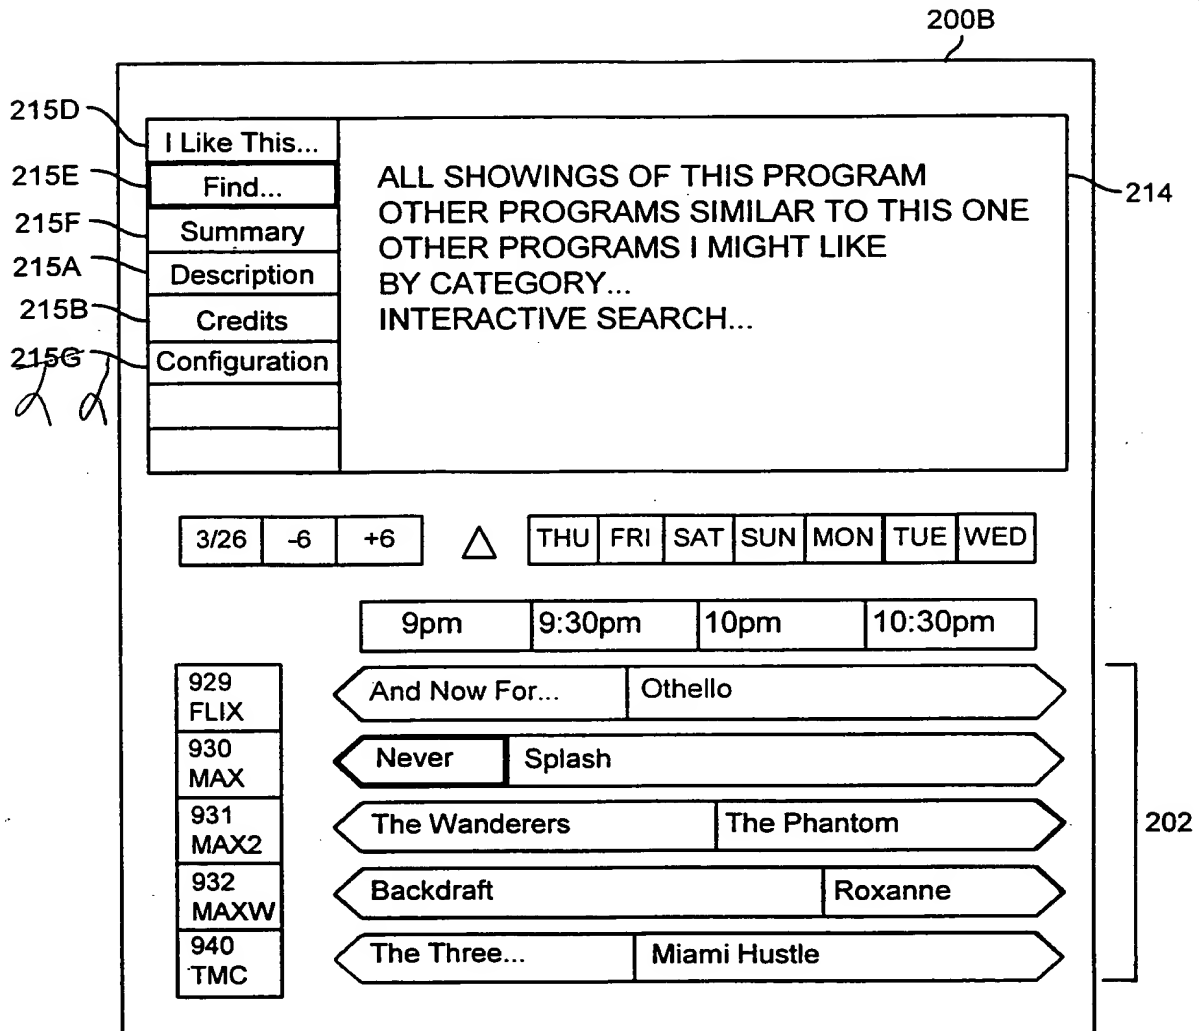

FIG. 9
